A female Greater Green-winged Teal duck is shown swimming in a body of water. The duck has a mottled brown and grey pattern on its head and neck, with a dark, slightly hooked bill. Its wings and back are covered in intricate brown and white patterns. The water is a deep blue-grey color with some ripples and reflections. The duck is positioned in the center-right of the frame, facing left.

A group of Hamashigi (滨鹬) birds is shown in a shallow, rocky wetland area. The birds are small, with brown and white plumage, and are standing in the water. The background consists of a rocky shore with a shallow, muddy stream. The water is clear and blue, reflecting the sky. The birds are scattered across the scene, some standing on the rocks and others in the water. The overall scene is a natural, outdoor setting.
